CPP Warranty

CPP WARRANTY

Sturdevants Refinish Supply Center guarantees that the aftermarket products, such as fenders, bumpers, hoods, lights, and grilles are free from defects in material and workmanship and meet or exceed generally accepted industry standards for replacement parts. When installed in accordance with industry standards, the replacement body parts are warranted against premature failure for any reason, provided there has been no damage due to incidental or consequential acts, such as collision. This warranty remains in effect for a full year (from the date of purchase) to the original purchaser, or the original retail customer. If failure should occur, return freight prepaid to the supplying company of Sturdevants along with the original receipt of purchase. All parts returned must be accompanied by the original invoice showing that the part was purchased from Sturdevants.

This warranty does not cover failure due to improper installation or maintenance, misuse, abuse, unauthorized repairs, modification or alteration, or normal wear and tear. This warranty does not cover freight charges, costs of removal or replacement, losses due to down time of the vehicle, or any general labor costs.

Terms & Conditions Of CPP

- All panels should be test fitted prior to application
- No credit will be issued for parts that have been painted or altered in any way.
- There is no guarantee for faulty installation or if the parts are used for other than their original intended application.
- Any new returns must be returned in their original packaging in, which they were sent out.
- All sales to body shops are final after 10 days of the date of purchase.
- All aftermarket parts will be inspected for damage by R.S.C. before being shipped.
- R.S.C. or the freight carrier must be notified immediately if a part is damaged in the process of shipping. A picture of the damage must be submitted to RSC before any damage claims can be settled.
- Any new or defective returns must be accompanied with a full explanation of why it is being returned. Only then will we send an additional part to replace the return. All prices in the current catalog are subject to change without prior notice.
- Refinish Supply Center continuously adds to the inventory and this catalog should in no way be considered indicative of our entire product line. If you do not see the application listed, please call your local Refinish Supply Center or Sturdevant's Auto Parts store.
- Application information has been researched using reliable sources to obtain the most accurate listings; however, Refinish Supply Center does not make or imply any warranty concerning the accuracy of the information. Refinish Supply Center does not accept responsibility for errors, omissions, changes, or for harm resulting there from. All information contained in this catalog supercedes all information in previous catalogs.
- Many collision parts are certified by CAPA (certified auto parts association). CAPA establishes standards for aftermarket parts to insure the equivalency to OEM (original equipment manufacturers) parts. This certification program applies to parts such as fenders, hoods, doors, bumper covers, header panels, etc. We will supply CAPA certified parts subject to availability and when unavailable will supply only high quality replacement parts.
